

An aerial photograph of a swimming pool in a backyard. The pool is rectangular and filled with clear blue water. A white, automatic pool cover is partially retracted, revealing a slatted deck. The pool is surrounded by a light-colored tiled deck. To the left of the pool, two blue lounge chairs are placed on the deck. The pool is set in a lush green lawn with some landscaping, including small trees and flowers. The overall scene is bright and sunny, with shadows cast on the grass and deck.
